Job Title: Security Guard/First Aid Attendant
Location: Timmins, Ontario
Company: Explor Resources Inc. (a wholly-owned subsidiary of Galleon Gold Corp.)
Employment Type: Full time /Rotational Schedule, 12 hours shift

Position summary:
The Security Guard / First Aid Attendant is responsible for maintaining site security, controlling access, monitoring site activity, and providing immediate first aid and emergency response services. This role supports a safe and secure operating environment in compliance with company policies and applicable health and safety regulations. Reporting to the Security Coordinator.

Key Responsibilities

- Control site access, including verification of personnel, contractors, and visitors
- Conduct routine patrols of the mine site, facilities, and equipment
- Monitor surveillance systems and report any security breaches or incidents
- Enforce site policies, safety procedures, and emergency protocols
- Respond to emergencies, including medical incidents, fires, and security threats
- Provide first aid treatment and maintain accurate incident and treatment records
- Coordinate with emergency services when required
- Maintain and inspect first aid supplies, equipment, and emergency response kits
- Prepare daily security and incident reports
- Support safety meetings and contribute to site safety culture
- Support management with employee-related security matters and perform other security, site-support, and operational duties as required.

Qualifications and Requirements:

- Current First Aid and CPR certification (Advanced or Occupational First Aid preferred)
- Valid Ontario Driving license
- Experience in a security or emergency response role, preferably in mining, construction, or industrial environments
- Strong knowledge of health and safety regulations and emergency procedures
- Ability to work rotational shifts, including nights and extended hours
- Physically fit and capable of responding to emergency situations
- Strong communication, observation, and reporting skills
- Proficient in basic computer systems and reporting tools
- Applicants must be legally authorized or permitted to work in Canada without employer sponsorship

Assets:

- Mine site experience
- WHMIS certification

Working conditions

- Rotational Schedule on a 4 days 0n/ 4 days off, 12 hours shift
- Competitive hourly rate based on experience $24 per hour)
